

Chapter 1

In between time and space stood Klato, checking out his evil plan to destroy the Freedom Fighters. "This should work," said Klato. Just then the Archer came in. "Hello, Klato. What job do you need me to do?" asked the Archer.

"I need you to distract the Freedom Fighters, so I can get the domes day book from the museum of England," answered Klato. "When do I get paid?" said the Archer. "When I say you do," snarled Klato.

"Sounds good," said a scared Archer. Meanwhile, in Searcy, Arkansas, the Freedom Fighters were stopping the psychotic Mrs. Burns from burning Harding University to the ground. "Stop what you're doing lady" shouted Stargazer as he punched Mrs. Burns in the face.

"Aww did anyone ever tell you not to hit a lady?" said Mrs. Burns as she threw her flamethrower at

Stargazer. But Stargazer shot the flamethrower with his gun blowing the flamethrower up. "Take that Mrs. Burns!" said Stargazer.

"Oh come on!" shrieked Mrs. Burns. As Stargazer gave her another punch in the face, but this time Mrs. Burns caught Stargazer's fist in her hand.

"Not this time Stargazer, you've been a bad boy," said Mrs. Burns as she kicked Stargazer in the stomach. "Oww," said Stargazer falling to the ground.

"You don't hurt my teammate," said the Bullet running Mrs. Burns into the wall of the Library. "You're losing your touch Stargazer," said the Bullet. "Where are the others," asked Stargazer ignoring Bullet's comment. "We actually need to go meet them at Universal Labs answered the Bullet. As they left, they tied Mrs.Burns up and knocked her out.

When everyone got to Universal Labs, Dr. Moore was waiting for them. "Hello my friends, thank you for coming at such a short notice," said an excited Dr. Moore. "What do you need" asked Infinity Man. "You guys need a base of operations and since I am moving to a new facility, I decided to give this place to you.

"Thanks," said Captain Universe. And with that Dr. Moore walked out of Universal Labs.

"I'm going to the gym to train some," said Stargazer. "And I'm going to a baseball game," said Infinity Man. "Ok since we're taking breaks then I'm going to Walmart to get a few things," said Captain Universe. "Ok, then I'm gonna go to the" started the Bullet. "Actually you're staying here to clean, after all, you are fast," said Captain Universe. "Awww man, I got cleaning duty," said the Bullet.

As Stargazer was going to the gym, he noticed someone was stalking him. Stargazer immediately grabbed his guns out of his holster and started shooting and asked: "Who are you".

"I am the Archer," said the Archer dodging the bullets with ease and firing arrows with his bow at Stargazer. "Buddy, you need a lot more than that to take me down," said Stargazer.

As Stargazer was reloading his guns he noticed an arrow was shot near him. "Man you're a bad shot with your bow," said Stargazer, "That's like three feet away." "Who said I was going to shoot you," asked the Archer. As knock-out gas came out of the arrow. "OOOh pink fluffy unicorns," said Stargazer as he fell to the ground. "One down three to go,"

said the Archer.

"Man, the advantages of being able to fly, I don't even have to pay for a seat," said Infinity Man. As Yadi Molina was running to second base.

Infinity Man noticed someone was causing mayhem everywhere at Busch Stadium. "Better check that out," said Infinity Man as he flew down to check on the situation. He noticed someone shot an arrow at him

"Man are you in the stone age" joked Infinity Man as he melted the arrow with an energy blast from his hands.

"Surrender now and your kidnapping will be painless," said the Archer. "Hmm, let me think about this," said Infinity Man "Nah, I think I'll take my chances, Robin Hood". "I am not Robin Hood, I am the Archer," said the Archer as he grabbed another arrow out of his quiver.

"Dude you know there is other weapon's right," said Infinity Man. "Your arrogance is your downfall," said the Archer as he shot Infinity Man with a Stun Arrow.

"Nice try pal but that just stung a little," said Infinity Man. As he was about to blast the Archer with another energy blast, but nothing happened. "How did you do that" asked Infinity Man. "Not saying, although you can know that you're not using your powers for a little while sucker," said the Archer punching Infinity Man in the face knocking him out.

Chapter 5

As Captain Universe was walking out of Walmart, he noticed a person was waiting for him. "Hello Captain Universe, I am the Archer and you will be kidnapped today," said the Archer.

"I'm sorry, but I don't think so," said Captain Universe as he threw his shopping cart at the Archer. "You are too rash and you do not use your brain, and that will be your downfall," said the Archer dodging the shopping cart.

"Alright Mr. Bigtalk let's take this somewhere else," said Captain Universe. "I don't think so," said the Archer as he pulled an arrow out of his quiver. And shot it at a car that was pulling out of a parking space.

"Go save them Captain Universe your the only one who can," said the Archer. "Nooo" shrieked Captain Universe as he flew and grabbed the arrow right

before it hit the car.

As Captain Universe went to see if the person inside the car was alright. He noticed the person who he saved was wearing a hood. As Captain Universe opened the door. The person took off his hood revealing that it was Klato.

"Hello Captain Universe," said Klato. "Klato how did you get here," asked Captain Universe. "I drove here duh," said Klato as he punched Captain Universe in the gut knocking him out. "Nighty night loser" teased Klato. "You, you won't get away with this," said Captain Universe wearily. "Yeah, I will, Ha, Ha, Haaa" snarled Klato.
