As The Freedom Fighters got to Larado, Texas. A loud booming Captain Stinky shouted, "Come and face your worst nightmare." Just then lots of trash was coming towards the Freedom Fighters.

"Seriously," said Infinity Man, as he punched Captain Stinky in the face knocking him out. Meanwhile, in the shadows, Klato was about to shoot Infinity Man with a blaster.

away.

"Noooo" shrieked both The Bullet and Infinity Man. "Wait I'm sensing lots of disturbing radiation," said Infinity Man.

"Probably from that intergalactic spaceship" observed The Bullet. "Yeah, but who do we go to Dr.Moore is on vacation at the Bahamas," said Infinity Man.

"Come on I know just the man who can help us" answered The Bullet. "Who," said Infinity Man.

"Stargazer, in fact, he's not that far off. He lives in Austin, Texas. "Then come on," said Infinity Man.

Barry said, "Give us all your money and anything else that is valuable." "Yeah what he said" added JoJo. "Stop that," said Captain Universe punching JoJo in the face. "Wow you got a good punch their city slicker," said JoJo as he dodged the punch.

"How about putting that good punch on my giant killer robot horse" continued JoJo. "Genious," said Barry.

Just as the giant killer robot horse blasted Captain Universe with it's two deadly death rays.

Captain Universe dodged and attacked the robot but he was no match for the giant killer robot horse.

Then he noticed the train was getting away with innocent people and the two robbers on board.

Then Captain Universe noticed a weak spot on the giant killer robot horse. Flying at high speeds he went right through the giant killer robot horse. "Take that you mechanical abomination," said Captain Universe.

Captain Universe immediately started flying towards the train and landed right in front of the train to get it to stop.

need to get this train to stop," said Colt.

"But how partner," said Mare, "wait I have an idea" as she pulled out her gun and started shooting the wheels.

"Yeehaw buckaroo, I see what you're doing," said Colt, as he grabbed his gun and started shooting the train's engine.

Just then the train started to break down. Then Mare ran into the train and grabbed her rope and lassoed Barry and JoJo. As Colt came in he said, "what happened to that tin can of yours boy." "Some new cowboy with a cape on destroyed my new toy," said JoJo.

As a worn out Captain Universe walked into the train he asked Colt and Mare who they were. "We are Colt and Mare part of the Texan Rangers," said both Colt and Mare.

"What year is this" asked Captain Universe.  
"The year is 1843 you crazy buckaroo"  
answered Colt. "And where am I," asked  
Captain Universe. "You're near Santa Fe, New  
Mexico right on the border of Texas you  
dummy," said Mare.

Infinity Man as his hands started glowing with  
yellow radiation.

"Oh, I'm so scared," said a sarcastic Sam as he  
kicked Infinity Man to the ground and put his  
armored costume on. "Whatever you say  
Sammy" mocked Infinity Man. "No the name's  
Stargazer," said Stargazer grabbing his guns.

Just then Everyone heard a woosh from the Bullet's super speed and Stargazer's guns were taken away from him. "My babies" cried Stargazer.

"You'll get your guns back if you help us find Captain Universe," said The Bullet. "Fine," said Stargazer, "let's go back to the scene of the crime."

A few hours later the Freedom Fighters were back in Laredo, Texas. "So what happened" asked Stargazer.

"We were fighting this lame bad guy named Captain Stinky which was a distraction for Klato to blast us with a blaster, and now Captain Universe is in another time somewhere.

"Okay we need to get some parts and tools to put together a time machine," said Stargazer. "Okay," said both Infinity Man and The Bullet.

"Well I reckon Doc can help," said Colt.

"Well, what are you buckaroos waiting for let's go," said Mare.

As Captain Universe, Colt, and Mare went to Doc's house.

Doc was doing farm chores when he went to see the three heroes. "Yeehaw buckaroos, what are you guys doing here"? asked Doc.

"This feller needs help on getting back to his own time period," said Mare. "Well, I reckon we can open a time portal with my new gizmo. But we need another time machine located wherever he lives.

"Then let's get to work," said Captain Universe. "But first I need some way to contact my friends" continued Captain Universe. "Here use my time phone you can contact anyone in the future with its partner," said Doc.

## Chapter 7

As Captain Universe, Doc, Colt, and Mare were putting the finishing touches on the time portal. Captain Universe used Doc's time phone and called Infinity Man.

Meanwhile, in the present time Infinity Man, The Bullet and Stargazer were building a time machine and putting the finishing touches on it.

As Infinity Man heard his phone ring he answered it. "Hello," said Infinity Man. "Hey Infinity Man you guys need to build a time machine so I can get back to the present time," said Captain Universe.

"Way ahead of you, we already got one built," said Infinity Man. "You just need to come back" continued Infinity Man.

"Thanks see you soon," said Captain Universe. "See you later," said Infinity Man.

Meanwhile in the past Captain Universe says good buy and is about to leave when Klato comes out of nowhere and attacks Captain Universe.

"You're not going anywhere loser," said Klato. But as he's done jabbing his jaws Colt and Mare attack Klato.

"Go we will hold off this sack of potatoes off," said Mare. As she shoots Klato with her guns.

"I'll get you Captain Universe you can't escape me after I build my deadly weapon," said Klato as he battles Colt and Mare.

But it's too late Captain Universe escapes into the time portal and is back in his own time.

"You okay," asked Infinity Man. "I'm good" answered Captain Universe. "Good, here meet the newest addition to the Freedom Fighters Stargazer," said The Bullet as he handed Stargazer's guns back to him. "Good we'll need him against Klato he's building a deadly weapon," said Captain Universe. "Then we'll be ready," said The Freedom Fighters.
